

PLEASE REMEMBER IN YOUR PRAYERS

Mandy that she will have wisdom in her decisions, joy in her every day, and that God will continue to show His healing power in her life.

Sylvia who, with David, will be travelling to Greece on Wednesday. Please pray that she is well enough to go, for travelling blessings, and that they both have a good, relaxing holiday.

Jemma, (26) recovering from a 2nd bout of meningitis and with epilepsy, has returned home. Can we please pray that God will pour blessings into that home and family, and that Jemma may regain some of the mobility she had previously.

Praying together

At recent PCC and leadership meetings we have discussed the need and benefit of calling the church together to pray.

We'd like to start this with a Tuesday night monthly gathering for an hour between 7.30 and 8.30; you can come for the whole hour or part of the time. Our 1st one will be **Tues 27 July**, then **24 August**.
