**GOOD NEWS**

Last week's Help 4 Heroes coffee morning raised over £1000 for H4H, plus over £100 for church funds from the coffee bar and £30 for RICE INDIA! Well done one and all!

**And thanks to everyone who supported last evening's Curry Night.**

**DID YOU REALISE**

The tall cardboard bin at the back of church which often gets rubbish dumped in it is actually a receptacle for used computer ink cartridges. Rob McGovern has just arranged for £45.70 to be paid into the church account from the last collection. There is an updated list available in church or you can email Leisa [lcmcqv@blueyonder.co.uk](mailto:lcmcqv@blueyonder.co.uk) our church warden for information. But please bring in your used cartridges and drop them in the bin. **Raising funds has never been simpler.**

**Next week - how eating Smarties can make your church bank balance fatter!**

**PCC – next meeting Tues 13 July**

**Sat 24 July 10am – noon**  
**Coffee morning the proceeds of which will benefit both**  
**The Christie cancer centre & St John's**  
 'Towards a future without cancer'  
 When Lynn Cavanna's sister-in-law died last October aged 52, after a brave battle against ovarian cancer, the Maureen Devlin Memorial Trust Fund was set up by her devastated family to raise funds for research at The Christie, Manchester, a world leading research centre, into what has become known as 'The Silent Killer', as it is extremely difficult to recognise in its early stages.  
 Maureen was a doctor of pharmacy and spent her adult life working towards cures for the sick. This fund is therefore a fitting tribute to her. So far, her family and friends have raised in excess of £9000 in less than a year. Please support this coffee morning and help to nudge the fund towards £10k. Half the proceeds will go to our church funds.  
 Any donations of cakes, raffle prizes, plants, books etc very gratefully received by Lynn and Fran
